The Action taken report for the faculty award on Teacher's Day (05.09.2022) is prepared based on students' feedback in discussion with the committee undertaking the following criterion-

1. All the teachers who secured less than 3.99% are filtered out.
2. All the teachers who have got less than 5 numbers of student's response/feedback are filtered out because with the less than 5 students, feedback can't be representative on behalf of the full class.
3. After filtering, teachers will be given the awards based on the strength of the department. In other words, among 4 faculty members, the top scorer will be given the first prize so on and so forth. (One prize among 4 teachers after filtering out).
