**A Brief Report on  
Educational Excursion to Magadh University for  
Students of CTE**

Educational excursion is a very salient feature of school or college-based activities because of the lasting impressions and memories it left for the students and teachers as well. Educational excursions are organized for practical exposures for the facts taught in classroom. Where books give theoretical knowledge, educational excursion to the actual places help in providing detailed information and aids in answering asked and unasked questions about a process. In view of the above, Centre for Teacher Education, organised a one-day educational excursion for the students of CTE on 13 April 2022. All the students of Two-year B.Ed. programme and Four-year integrated B.A.B.Ed. programme enthusiastically participated in the excursion. Faculty members Dr Huma Kayoom, Dr Sushil Kr Singh, Dr Jampa Thupten, Dr Jyoti Singh and Mr Tenzin Namgang accompanied the students to the one-day expedition to Gaya. Office Assistant Mrs Reena Pandey also accompanied the whole staff and the students. Being a Teacher Education institute, CTE also decided to take its students to other Teacher Education institute for a comprehensive understanding of the working and academic environment of another institute. For this reason, CTE planned a visit of the students to Department of Education at Magadh University, Gaya, Bihar followed by a visit to its library and other places of importance. The Head-in charge of the host institute, Dr Parvez Akhtar very warmly received and welcomed all the students and faculties and interacted with the students. He spoke at length especially about the importance of experiential learning in the holistic development of the students.

*(Students and faculty at Magadh University, Bihar)*

*(B.Ed. and B.A. B.Ed. students along with faculty members at Magadh University)*

After the interactive session at the department all the students made a visit to nearby historical Mahabodhi Temple and park.

*This report has been prepared by Dr Huma Kayoom, Academic Coordinator & Assistant Professor (Education), CTE, CIHTS.*
