Therefor I am a scientific Worker in the field of scriptology and manuscript science is eminently qualified

So I am a brilliant research scholar of the new school of esoteric studies imbued with the critical discernment of the modern techinques applied to the subject. I have a Ph.D. have accomplished a real good work on "An Analysis of Vajra-Body and its establishmen of Nadi-Vayu and Bindu in Anuttarayoga Tantra-A part of Vajrayana Vehicle". It is my contribution to the subject. With a sharp mind and tenacity of purpose accompanied by formidable I shall within a short period of time acquired skill and experience of study of manuscripts and scripts in the, National Archives, the KesarLibrary, and the National Library of Nepal besides the several Private Libraries in Possession of Buddhist Vajracaryas of Kathamandu (Nepal), Where in I looked in to as many as 2500 precious treatises of original texts available in Sanskrit belonging to tantric literature which are in Ancient Nevari, Bhujimool and Ranjana Scripts etc.

In addition to the above mentioned mss. I have availed the resources of the Asiatic Society, Calcutta. Bihar Research Society, patna, Oriental Instiute Baroda and oher important Libraries of allied discipline in India.

### Areas of Specialisation & Research Interests:

It is a matter of rare complacence that my work is exactly on the lines of the eminent scholars like pt. Rahul sanskriyayana and Prof. J. Upadhyaya who Visited Nepal Several times and Procured Important and rare Buddhist texts from there.

Therefor I have been to Nepal thrice Ist in 1980, second time in 1982 and thirdly in 1987 and brought rich collections which throw important light on the ancient past and form of our rich treasures of our eminent inheritance.

It is a my contribution to the subject I have within a short period of time acquired skill and rich experience of study of manuscripts and scripts in the, National Archives, the Kesar Library, and the National Library of Nepal besides the several Private Libraries in Possession of Buddhist Vajracaryas of Kathamandu (Nepal), Where in I looked into as many as 2500 precious treatises of original texts available in Sanskrit belonging to tantric literature which are in Ancient Nevari, Bhujimool and Ranjana Scripts etc.

I have also worked in the collection of above rare mss. Microfilm/microfiche/Print (Xerox copies of texts useful for our Department in the Institute at instance of the Director of the said Department.

I have also obtained several catalogues of mss. and research information data of Rare Buddhist Texts from various International Institutions and Libraries on the basis of which I published:
