As all are aware that the practice of Mentorship programme in our University is highly appreciated by many within and outside including UGC visiting team. This has been initiated with the inspiration drawn from traditional education system of ancient India and Tibetan education system. The main purpose of this programme is to provide a holistic guidance and mentorship for the development of students' ethical, spiritual and social values incorporating with their academic advancement.

This programme is to be intensified and reinforced with regular exercise and interaction between the teacher and the group of students assigned to him/her.

The mentor and students meeting must take place atleast twice in a week covering any subject that is found necessary for the students. A notebook may be maintained in which the date, time and subject covered may be mentioned. The attendance may also necessarily be maintained. The students who remain absent for more than two sessions may be reported to the Dean of Students' Welfare.

A notebook with namelist is hereby provided to every individual mentor to maintain the records mentioned above.

This is issued with the approval of competent authority. All concerned may kindly note.

सूचना

सत्रारम्भ की पहली बैठक में यह चर्चा की गयी थी की नियमित कक्षाओं के अतिरिक्त छात्र-छात्राओं को समय-समय पर अध्यापकों द्वारा मार्ग-दर्शन की आवश्यकता है। इसको व्यवहारिक रूप देने के लिए हर अध्यापकों और शोध विभाग के कर्मचारियों के साथ समस्त विद्यार्थियों को विभाजित करके उनके नामों की सूची मंलग्र की गयी है। इस सम्बन्ध में अध्यापकों एवं शोध विभाग के कर्मचारियों से अनुरोध है कि वे अपने साथ जुड़े विद्यार्थियों को नियमित रूप से मार्ग दर्शन करें।

सप्ताह में न्यूनतम एक दिन विद्यार्थी अपने उस गुरु के पास जाकर आचरण, व्यवहार, नैतिकता, सामान्य ज्ञान, अध्ययन कैसे किया जाय, भविष्य को कैसे उज्जल बनाया जाय आदि विषयों के सन्दर्भ में अपने ज्ञान की वृद्धि करें ताकि उनके व्यक्तित्व में निखार आ सके।

अधोहस्ताक्षरकर्ता भी समय-समय पर विभिन्न छात्र समूह को बुलाकर उनसे संवाद एवं मार्ग दर्शन करेगा।

Dated: 3rd August, 2017

NOTICE

The practice of Mentorship programme in our University is highly appreciated by many within and outside including UGC visiting team. This has been initiated with the inspiration drawn from traditional education system of ancient India and Tibetan education system. The main purpose of this programme is to provide a holistic guidance and mentorship for the development of students' ethical, spiritual and social values incorporating with their academic advancement.

As I have discussed this matter during the last meeting with the faculties on 1st August, 2017. This programme is to be intensified and reinforced with regular exercise and interaction between the teacher and the group of students assigned to him/her.

The mentor and students meeting must take place **atleast** once in a week covering any subject that is found necessary for the students. A notebook may be maintained in which the date, time and subject covered may be mentioned. The attendance may also necessarily be maintained. The students who remain absent for more than two sessions may be reported to the Dean of Students' Welfare.

A notebook will be provided to every individual mentor to maintain the records mentioned above. All may note this carefully.

TI/SA/Mentor/2018

Dated: 30<sup>th</sup> July, 2018

NOTICE

The practice of Mentorship programme in our Institute is highly appreciated by many within and outside including UGC visiting team. This has been initiated with the inspiration drawn from traditional education system of ancient India and Tibetan education system. The main purpose of this programme is to provide a holistic guidance and mentorship for the development of students' ethical, spiritual and social values incorporating with their academic advancement.

This programme is to be intensified and reinforced with regular exercise and interaction between the teacher and the group of students assigned to him/her.

As declared by the Hon'ble Vice Chancellor in his opening address to the faculty members and students, the mentor and students meeting must take place **atleast** twice in a week covering any subject that is found necessary for the students. A notebook may be maintained in which the date, time and subject covered may be mentioned. The attendance may also necessarily be maintained. The students who remain absent for more than two sessions may be reported to the Dean of Students' Welfare.

A notebook with namelist is hereby provided to every individual mentor to maintain the records mentioned above.

This is issued with the approval of competent authority. All concerned may kindly note it carefully.
