Research Promotion Policy

Background, Vision and Purpose of Research at CIHTS

The Central Institute of Higher Tibetan Studies was established for the preservation of Tibetan Buddhist tradition which is primarily the legacy of ancient Nalanda monastic university. This tradition maintains a profoundly rich system of knowledge pertaining to a wide range of disciplines exploring into the realities of external and internal world. The focal emphasis of this tradition is to explore reality of external and internal world on the ground of which transformative measures of mind training through the mechanism of meditation is developed for the purpose of cultivating an integrated progressive life.

This tradition has immensely contributed to raise the horizon of the knowledge systems of wide range of disciplines through research, particularly in the fields of philosophy, metaphysics, epistemology, logic, psychology and medicines. To give an example, the "Quantum mechanism", is regarded to be the greatest achievement of physics in modern science in terms of understanding the reality of the world. The greatest Buddhist philosopher after Buddha, Nagarjuna of 1st century, expounded the theory of emptiness which draws the same conclusion of non-existence of substantiality in the object. There is a huge literature produced by the subsequent scholars of the schools with further explorations. Similarly, there are many findings which brought new dimensions in many other fields of studies.

Being a lineage holder of this tradition and being in a time where the modern science and ancient wisdoms meet through meaningful and sound interaction, the scope of our research is tremendously wide.

Celebration of
International Women's Day- 2020

On the occasion of International Women's Day, the Central Institute of Higher Tibetan Studies (CIHTS) Sarnath, Varanasi, organised a lecture programme on the topic entitled "*Women Empowerment and Gender Equality: special reference to Women's Health, Education and Safety*" on 7th March, 2020 from 2.30 p.m. onwards in Anath Pindad Guest House Auditorium. The guest speakers for this special lecture were Prof. Chandrakala Padia, former Vice-Chancellor, Maharaja Ganga Singh University, Bikaner and Prof. Shubha Rao, from Department of Political Science, Banaras Hindu University, Varanasi. The programme was chaired by Prof. Geshe Ngawang Samten (Padma Shri), Hon'ble Vice-Chancellor of CIHTS. Dr Jyoti Singh, Assistant Professor, Department of Hindi was deputed to organise the aforesaid lecture . Keeping up with the tradition of CIHTS the programme was formally inaugurated by the Honourable Vic-Chancellor and eminent invited Guests by lightening the butter lamp and felicitating the guests with traditional scarf, the 'Khatak' and flowers.

The session started with the lecture delivered by Prof. Shubha Rao. She articulated her thought regarding the challenges and problems faced by women in the society at large and reiterated the valid point raised by feminist thinkers from time to time. Prof. Shubha Rao also spoke at length about the prevalent sexism and misogyny in the advertisement and entertainment industry and how that had negatively affected the self-image of women.

Further, Prof. Chandrakala Padia continued the same line of thought but in addition to it she also threw light on the problems faced by women in academics and professional sphere. She very critically analysed the public-private dichotomy of our gendered life and articulated that this binary in world keep

women at bay. She raised some valid and interesting points regarding the sexual division of labour and said that the labour which women do in the personal space of their home is generally regarded as unproductive work since it is not a paid work. In short, she restated that all women are working women but only few are salaried. Therefore, it is a high time to bring a change in the academic definitions of those terms which discriminate women.

Hon'ble Vic-Chancellor, Prof. Geshe Ngawang Samten in his Presidential speech supported the thoughts of both the speakers and in addition to it also stated the fact that women empowerment and gender equality is the need of the hour and since women are now approaching every field at a rapid pace the day is not far when the world will witness true gender equality.

At the end of the lecture series the formal vote of thanks was proposed by Dr Huma Kayoom, Assistant Professor (Pedagogy), Centre for Teacher Education, CIHTS.

**Agenda
Item No. 3**

**Considering the manual issued by NAAC for
Traditional (Sanskrit) Universities. (16)**

The coordinator IQAC apprised the committee that NAAC has issued a separate manual for Sanskrit Universities which seems more appropriate for CIHTS in preparing the SSR for its assessment. The committee thoroughly examined the templates of the said manual and found it more suitable for the Institute. The committee resolved that NAAC should be approached to enlist the CIHTS in the category of traditional Universities as the academic nature of the Institute is almost similar as of traditional Universities (Sanskrit Universities). The Vice-Chancellor should write a letter to this effect and if possible a meeting with NAAC authority be arranged to apprise and convince them with the facts and if NAAC permits, the SSR be prepared on the basis of the templates introduced for traditional Universities.

**Agenda
Item No. 4**

**Considering to introduce Diploma course /

**Agenda
Item No. 6**

Considering to prepare new Reservation Roaster.

The committee discussed and resolved that as per the judgment of the Honorable Supreme Court, the reservation roaster be prepared and then the vacant teaching and non - teaching posts of the Institute be advertised for recruitment.
