Key Findings and High Priority Recommendations

We appreciate the sincere efforts of Central Institute of Higher Tibetan Studies as Public Authority for sharing required information on website to maintain the transparency. It has been observed during the Audit that the information relates to few areas has to be shared on website with more clarity like;

- 1. Information on various sub-paras of Section 4(b) placed under RTI Act seems has not been given adequate prominence.
- 2. Power and duties of its officers and employees (Exercised) must be specified.
- 3. Information related to Norms/ standards for functions/ service delivery must be made available.
- 4. Programmes to advance understanding of RTI Act May be conducted on regular intervals.
- 5. Information related to procurements tenders/Purchase details from GeM portal are only accessible to Buyer of Public authority. Information related to procurement is not summarized. This mechanism is restricting the

- public to access the information. Hence Central Institute of Higher Tibetan Studies needs to create a mechanism which is accessible to public at large.
- 6. More detailed information on Performance against the benchmarks set in the Citizen's Charter & RFD of the Organization needs to be put up in the public domain through website and other media.
- 7. Manual/Handbook to be made available in Vernacular/Local Language [F No. 1/6/2011-IR dt. 15.4.2013]
- 8. Sub-clauses which have been met partially met / not met, may be looked into for compliance at the earliest. A re-look may be given to the clauses which have been marked as not applicable.

IRMRA would like to share positive feedback that in future all the required information/urls/links may be posted on website to meet the Transparency Audit Metrix.
