Sub: - Letter of appreciation.

Respected Sir,

I have the honour to express whole-hearted thanks to Central Institute for Higher Tibetan Studies (CIHTS) on behalf of National Commission for Indian System of Medicine (NCISM) for providing the venue to conduct the 13th Commission's meeting on 14 Sep, 2022. It was first time that the NCISM had conducted its routine meeting outside of the NCISM office at Delhi. The facilities that had been provided in the meeting hall were exemplary and well appreciated by all the members of the commission. The hospitality rendered by your organization towards us was outstanding. The commission members really had a very good time visiting your reputed institution. This gave us opportunity to understand the strength, background, infrastructure, facilities, activities, future perspectives, etc. of CIHTS in general and development of Sowa-Rigpa system of medicine in particular.

Once again, I personally extend my heartfelt thanks to you and your team for excellent arrangement and hospitality.

NCISM wishes CIHTS great success in all its endeavours.

With regards,

20/9/22

Dear Sir,

We have received the report on NCISM-NEET for SR UG 2021-2022 on March 14th, 2022 at 6 pm, which provides elaborate details of each event connected with the entrance exam starting from 05-01-2022 to 14-03-2022, i.e., starting from the initial meeting up-to the cut-off date of admission along with all necessary supporting documents. The report also endorses the perfection and dedication shown by you and your team in the successful conduct of the entrance examination. Though this is the first time, on behalf of NCISM, as a designated agency/authority, you did all the assigned work in an exemplary and flawless manner by strictly adhering to the Entrance Exam Schedule, Regulations, and Guidelines prescribed by NCISM.

I hereby jointly with the President, Board of Unani, Siddha, and Sowa Rigpa appreciate all the efforts made by you and your team with the support of the honourable Vice Chancellor, CIHTS, and all principals and teaching staff at Sowa Rigpa colleges for this assignment. The contribution of Director of entrance exam, Chief Coordinator, Chief Superintendents, Invigilators, NCISM Observers, Question Paper Setters, Evaluators, IT technical staff, and others is highly commendable for the successful completion of the entire NCISM-NEET process for SR UG 2021-2022.

Thanking you

Vaidya Jayant Deopujari
