

## **15 Days Induction Program for newly admitted BSRMS students**

1<sup>st</sup> of October, the first day of 15 days induction program for the academic year 2024-2025 of Bachelor of Sowa-Rigpa Medicine and Surgery (BSRMS) was held at PGRH Hall, CIHTS. Dr. Sunita Chandra, Registrar, CITHS was the chief guest and Ven. (Dr.) Lhakpa Tsering, Dean and Librarian of the Institute was the special guest on the occasion. The inaugural session began in a traditional way lighting the lamp in front of Medicine Buddha by the Guests followed by a brief Introductory note by Dr. Dorjee Damdul, Dean of Sowa-Rigpa and Jyotish faculty.

Chief Guest Dr. Sunita Chandra offered welcome scarf to all the new student and in her brief welcome address, Dr. Sunita told the student about the scope and demand of Sowa-Rigpa system of medicine in today's world. She also shared the word of wisdom on the Traditional systems of medicine in World Health Organization. The future prospectus, the rules, regulation and future research scopes. Special guest Dr. Lhakpa Tsering, in his brief address, advised the student to take opportunity to avail all the facilities in the campus. The program concluded with the vote of thanks by Dr. Tsering Tsamchoe, Coordinator for the program.

This induction program is organized under the NCISM Act. and Regulations, aiming the newly admitted student to know the Institute / College campus, the Departments, facilities, and the student to make them well aware of BSRMS courses. This also aims to help new student to adjust to their new environments, to make feel comfortable and the faculties to get to know the student and their field of interest. This 90 hrs program will cover various topics, a visit to institute campus and other activities.
